ORDER:-

It has been brought to the notice of the Government that Sri Y. Surya Prakasa Rao, former AEE (R&B), Khammam now Deputy Executive Engineer (R&B) has failed to supervise the work of contractor in engaging of Road Rollers, being used without proper documentations for the execution of work Heavy periodic maintenance of structures strengthening the BT Road at Khammam District.

2) The Engineer-in-Chief (R&B) Admn., was directed to frame Articles of Charges against Sri Y.Surya Prakasa Rao. Accordingly, the Engineer-in-Chief (R&B) Admn., has framed charges against him. Sri Y.Surya Prakasa Rao has submitted his Written Statement of defence and denied the charges.

3) The Engineer-in-Chief (R&B) Admn., has stated that in G.O.Ms.No.23, I&CAD Dept., dt.5.3.1999 in Annexure-II (iv); under Plant & Machinery, it is stated that "it is expedient that a contractor should possess necessary plant and machinery of his own that are required to execute the nature of work for which his performance is evaluated...". It is thus evident that the contractor/agency need not obtain permission from the Department for usage of Road Rollers. Department has no role to play in maintenance and functioning of Plant & Machinery and there is no financial loss to the Government and there was no compromise in quality of the work. Further, no where it is defined in the duties of R&B Department officials for the verification of the documents like registration of vehicles owned/hired by the agency during the execution of the work and they are only responsible in execution of the work and see that the contractor engaged desired No. of plant and machinery to achieve the standards specified in the agreement conditions and other departmental codes. The Engineer-in-Chief (R&B) Admn., has requested to consider for dropping further action against Sri Y.Surya Prakasa Rao, former AEE (R&B) now Dy.EE (R&B), Khammam.
